Messrs. R. L. BARRENTINE & SONS, Schlatter, Miss., write as follows:
A REMARKABLE CURE.
We have a remarkable statement which we would like to make to you. There is a young lady in our community whose menstrual period had stopped and whom the doctors said was blood poisoned. One day her father came into our store and we advised him to try G. F. P. (Gerstle's Female Panacea). He said he did not have the money, and we told him that he could take it and if it did her any good he could pay for it. He did so, and one dose gave relief, while one bottle entirely cured her sound and well. She had been having fits and the doctors had given her up to die.

FOUND A GOLD MINE

IT WAS IN HIS POULTRY YARD.

Man in Iowa Uses a Compound that Makes His Hens Lay Double the Usual Number Summer and Winter. Secret of Success.

People in the neighborhood of Creston, Iowa, are amazed at the number of eggs that this man drives to market with. When asked what was the cause of his hens being so prolific, he stated it was all in a certain compound he was using, that kept his hens in good condition and furnished them with the proper stimulus to egg production. American Poultry Mixture is the name of it, and is by American Mfg. Co. Terre Haute, Ind. Every man in the poultry business is interested in the health of his hens and their laying capacity. In eggs lie his profits. This mixture is guaranteed to increase the production of eggs 100 per cent or money refunded. It will do more than three times as much as the same amount of any other compound. It is concentrated in form and the result of years of practical experience in the poultry business. There is absolutely no doubt as to what it will do, and you are invited to try it at the expense of the company. Send \$1.00 for a sample package and if doesn't do the work you get your money back. This is fair and is made to induce practical poultrymen to give it a trial. It is also a sure preventive of such diseases as the terrible cholera and roup which create such havoc in all parts of the country. It acts directly on the craw and gizzard and is a thoroughly scientific preparation. The manufacturers guarantee every package or refund purchase money. If your druggist don't sell American Poultry Mixture, he's behind the age. In that case order direct from American Manufacturing Co., Terre Haute, Ind.

We have saved many doctor bills since we began using Chamberlain's Cough Remedy in our home. We keep a bottle open all the time and whenever any of my family or myself begin to catch cold we begin to use the Cough Remedy, and as a result we never have to send away for a doctor and incur a large doctor bill. For Chamberlain's Cough Remedy never fails to cure. It is certainly a medicine of great merit and worth.—D. S. Mearns, General Merchant and Farmer, Bedford county, Pa. For sale by Theo. Wesley, Mt. Vernon, Ky.
